As we present this, your 1962 Cat Tale, our wish is that you will find in its pages an accurate record of your 1961-62 school year. We hope that our theme, "The Spirit of South San Antonio," has captured some of the most treasured moments, recording a host of pleasant memories to be cherished for years to come.

DEDICATION

In dedicating this 1962 edition of the Cat Tale, it is our desire to honor those who voluntarily contribute so much of their time and talents to insure the advancement of education in its many phases:

The Board of Education who are responsible for the administrative, financial, and general conduct of the school;

The P. T. A. workers who bring together the home and school and whose never-failing interest in the school welfare helps to promote good school spirit and an accurate grasp of school affairs generally;

The business men of South San Antonio who are continually showing an interest in our school;

And the many others, not necessarily identified with any certain group, whose individual contributions do so much to enrich the school program.

LIFE AT SOUTH SAN HIGH

MR. & MISS BOBCAT

Judy Claxton

WHO'S WHO

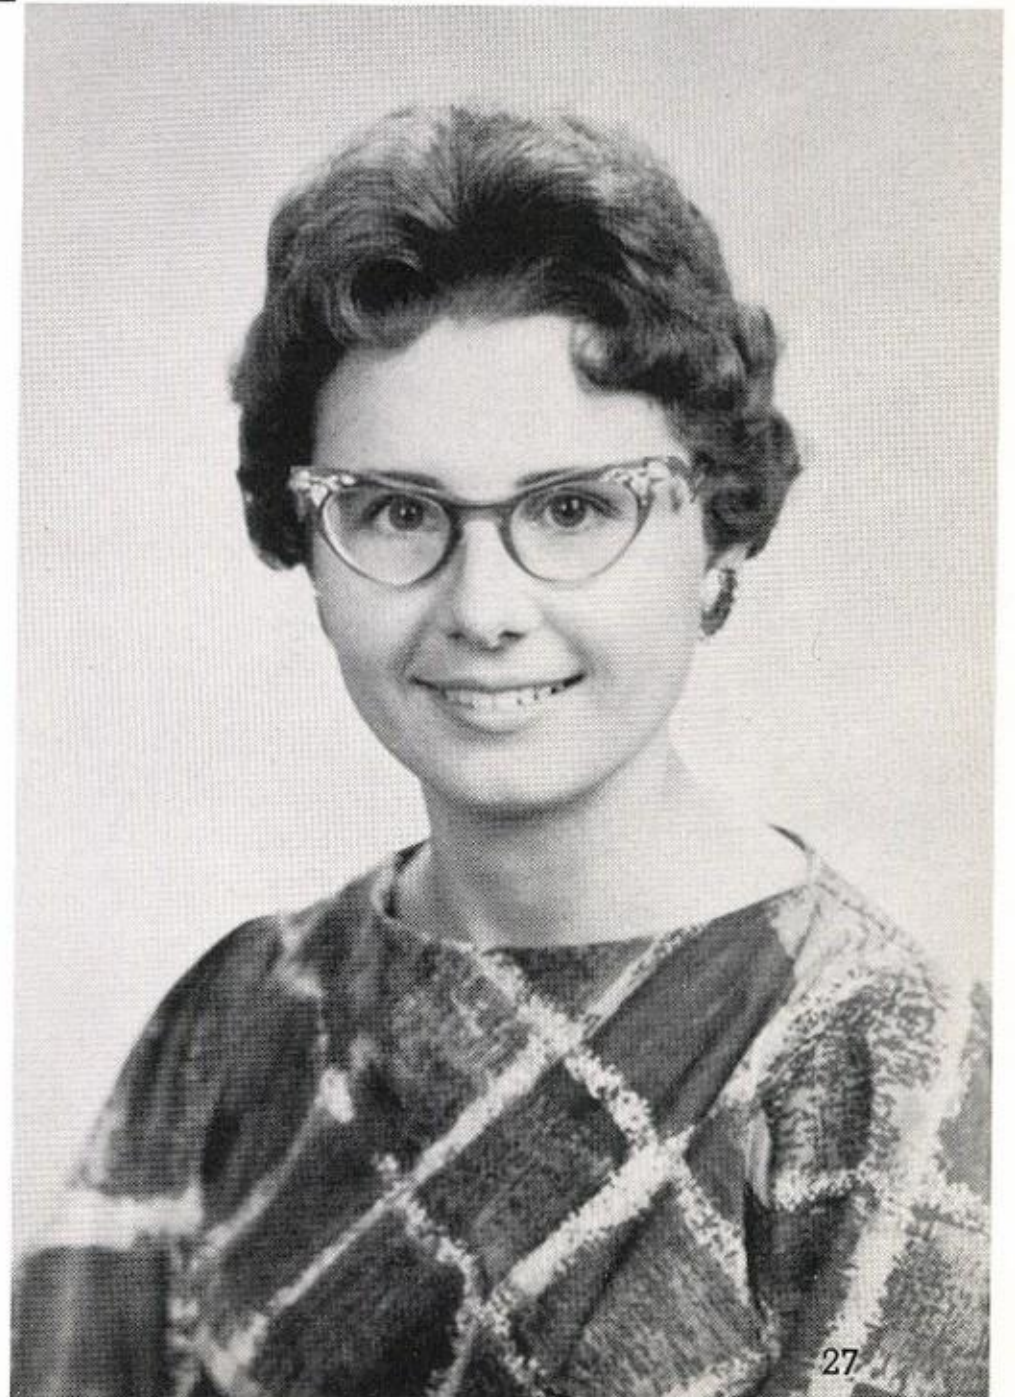

This section consists of the Senior students who have done the most for the betterment of our School. These eight students are the most active you will find at South San Antonio High School.

Gerry Grimes

A steady eye, optimistic philosophy, and a well-groomed appearance characterize Gerry Grimes. As president of the National Honor Society and a member of the Student Council, his actions show that he is truly a person with great potential and high aspirations. He has everyone's best wishes for the future.

Judy Claxton

"Forward...march!" is a familiar phrase frequently heard from Judy Claxton, president of the Pep Squad. An active Senior, Judy is member of the Student Council and the National Honor Society, besides participating in this year's Coronation. She is a sweet, attractive girl, well-known on the campus because of her leadership and service in our school.

WHO'S

Jesse Campos

One of the most popular persons around South San Antonio High School is our Student Council President, Jesse Campos. Well-liked and admired by all students, Jesse has been awarded this place in Who's Who because of his outstanding work in the Council and his scholastic attainments, which have earned him membership in National Honor Society. He was elected this year's "Boy Most Likely to Succeed" because of his efforts in many areas and his willingness to work.

Gloria Contreras

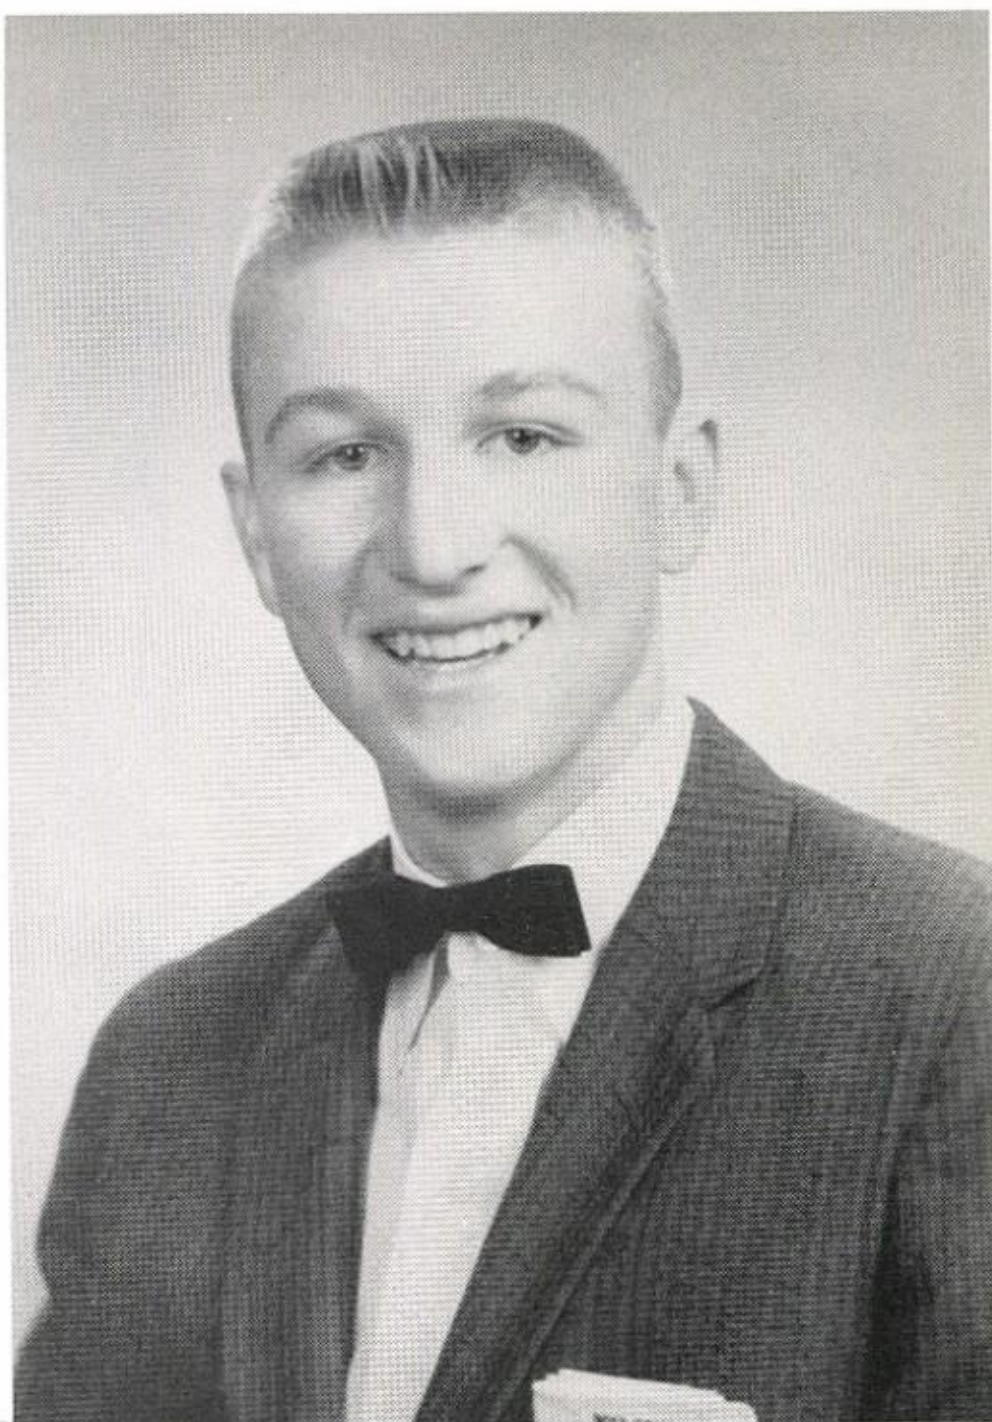

A quiet Senior student, Gloria won her place in Who's Who because of her active participation in so many events here at school. Being cheerleader automatically makes her an officer in the Pep Squad; she is also a member of the Girls' Athletic Association, and the National Honor Society. Gloria is a born leader and a willing participant, an asset to our school.

WHO

Newton Grimes

Another deserving member of Who's Who is Newton Grimes, who was elected by the student body as our most popular boy. He's president of the senior class, president of the "S" Club, and member of both the National Honor Society and the Student Council. On the basketball team, he's high-scoring guard and a good playmaker as well. "Newt" is a four-year letterman on the baseball team and also on the All-State team, truly one of the school's most outstanding students.

Carol Vorhes

A cute little "flash" around South San is Carol Vorhes. She is always on the go, and why not? Being chaplain of the Student Council, a member of the National Honor Society, twirler of the Bobcat Band, and editor of the 1962 CAT TALE certainly identify her as one of the most active girls in school. We can well see why Carol was elected by the student body as the "Girl Most Likely to Succeed."

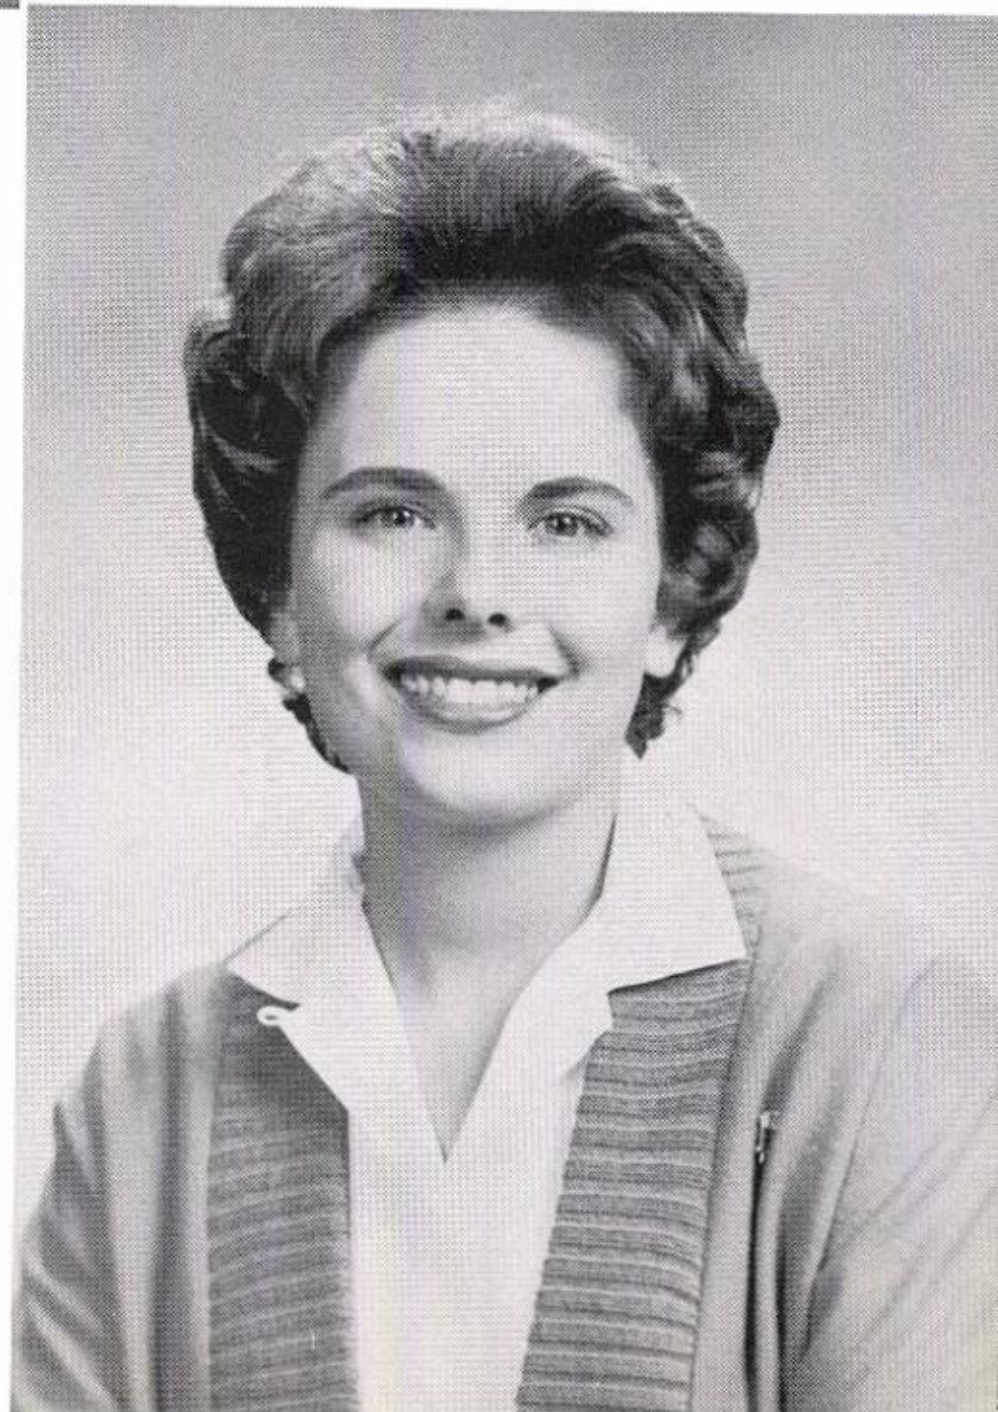

WHO'S WHO

Larry Lancaster

A guy with a million faces and almost as many talents, Larry is well-liked by everyone and a hard worker in numerous areas. Not only is he a member of the Student Council and the National Honor Society, parliamentarian of the Alamo Association of Student Councils, and business manager of the 1962 CAT TALE, but he has also been selected by the student body as "Mr. Personality" for this school year.

Merlynn Broom

"Two bits, four bits, six bits, a dollar!" yells that cute senior cheerleader, Merlynn Broom. As an officer in the Pep Squad and a member of the Girls' Athletic Association, Merlynn's efforts to improve our school life and school spirit have earned her a place in Who's Who. Membership in National Honor Society indicates her scholastic standing, and she is a proven leader who will long be remembered as one of the most active students at South San Antonio High School.

The name of our yearbook, the CAT TALE, came 18 years ago from our school mascot, the Bobcat. In this 1961-1962 edition, the staff has attempted to show a cross section of activities of girls and boys who have grown to be young adults in our high school.

Although much work is involved, . . . meeting deadlines, selling advertisements, etc. . . the staff enjoys working and having a good time together.

The background is a solid black field. It is decorated with several white geometric shapes. A large, white-outlined triangle points towards the right, with the word 'SPORTS' centered inside it. In the top right corner, there is a smaller white-outlined triangle pointing left. In the bottom left corner, there is another white-outlined triangle pointing right. A large, white-outlined triangle points towards the left, partially overlapping the large central triangle.

SPORTS

... may the best team win and
the losers take it like men...
you can't win them all on the
playing field... you can't win
them all in life... but when
you learn to be a good loser
the next hill won't be so high...

BOBCATS HANG ON TO WIN BY 65-63

The South San Antonio Bobcats grabbed a big lead in the early minutes of the fourth quarter, then hung on for dear life to edge the San Marcos Rattlers, 65-63, in the Class AAA bi-district game at Robert E. Lee.

Big Tommy Dugger played perhaps the finest game of his career for the Bobcats. The Rattlers still had not figured out a way to halt his domination of the boards and he slammed in 27 points for the night.

San Marcos led only twice in the game, at 8-7 and at 11-10. But Dugger and Dan Carrasco started to work and it was South San at the quarter by 17-15, at the half it was 30-22, and at the third quarter South San still led by 52-43.

Dugger made 12 of his points in the first half, and Dan Carrasco and Billy Jorgenson each scored eight in the first half.

The Rattler defense held Newton Grimes scoreless until he sank a free throw with 5:03 left in the third quarter. But he cashed in six points in each of the last two quarters for 12.

BOBCATS BEAT KINGSVILLE

FOR REGIONAL CROWN

South San Antonio's Bobcats moved into the State Class AAA tournament for the fifth straight year Friday night by downing the Kingsville Brahmas, 51-46, in a game at the Corpus Christi Ray gym.

The Bobcats, defending state titlists, were headed only once in the regional game. Tommy Dugger promptly put the Bobcats ahead to stay, however, and Newton Grimes repeated with a field goal.

The Bobcats forged ahead by 10 points in the third quarter, then stretched it to 12 points at 47-35 with 3 1/2 minutes to play in the game that saw neither team at its peak performance.

The Brahmas worked hard to cut the lead but never got closer than 50-46, with 5 seconds to play.

South San Antonio lost the ball on numerous occasions through poor passes in the first half. Dugger again was the outstanding man on the backboards and led all scoring with 18 points. Other leading Bobcats were Dan Carrasco with 15 points and Grimes with 12.

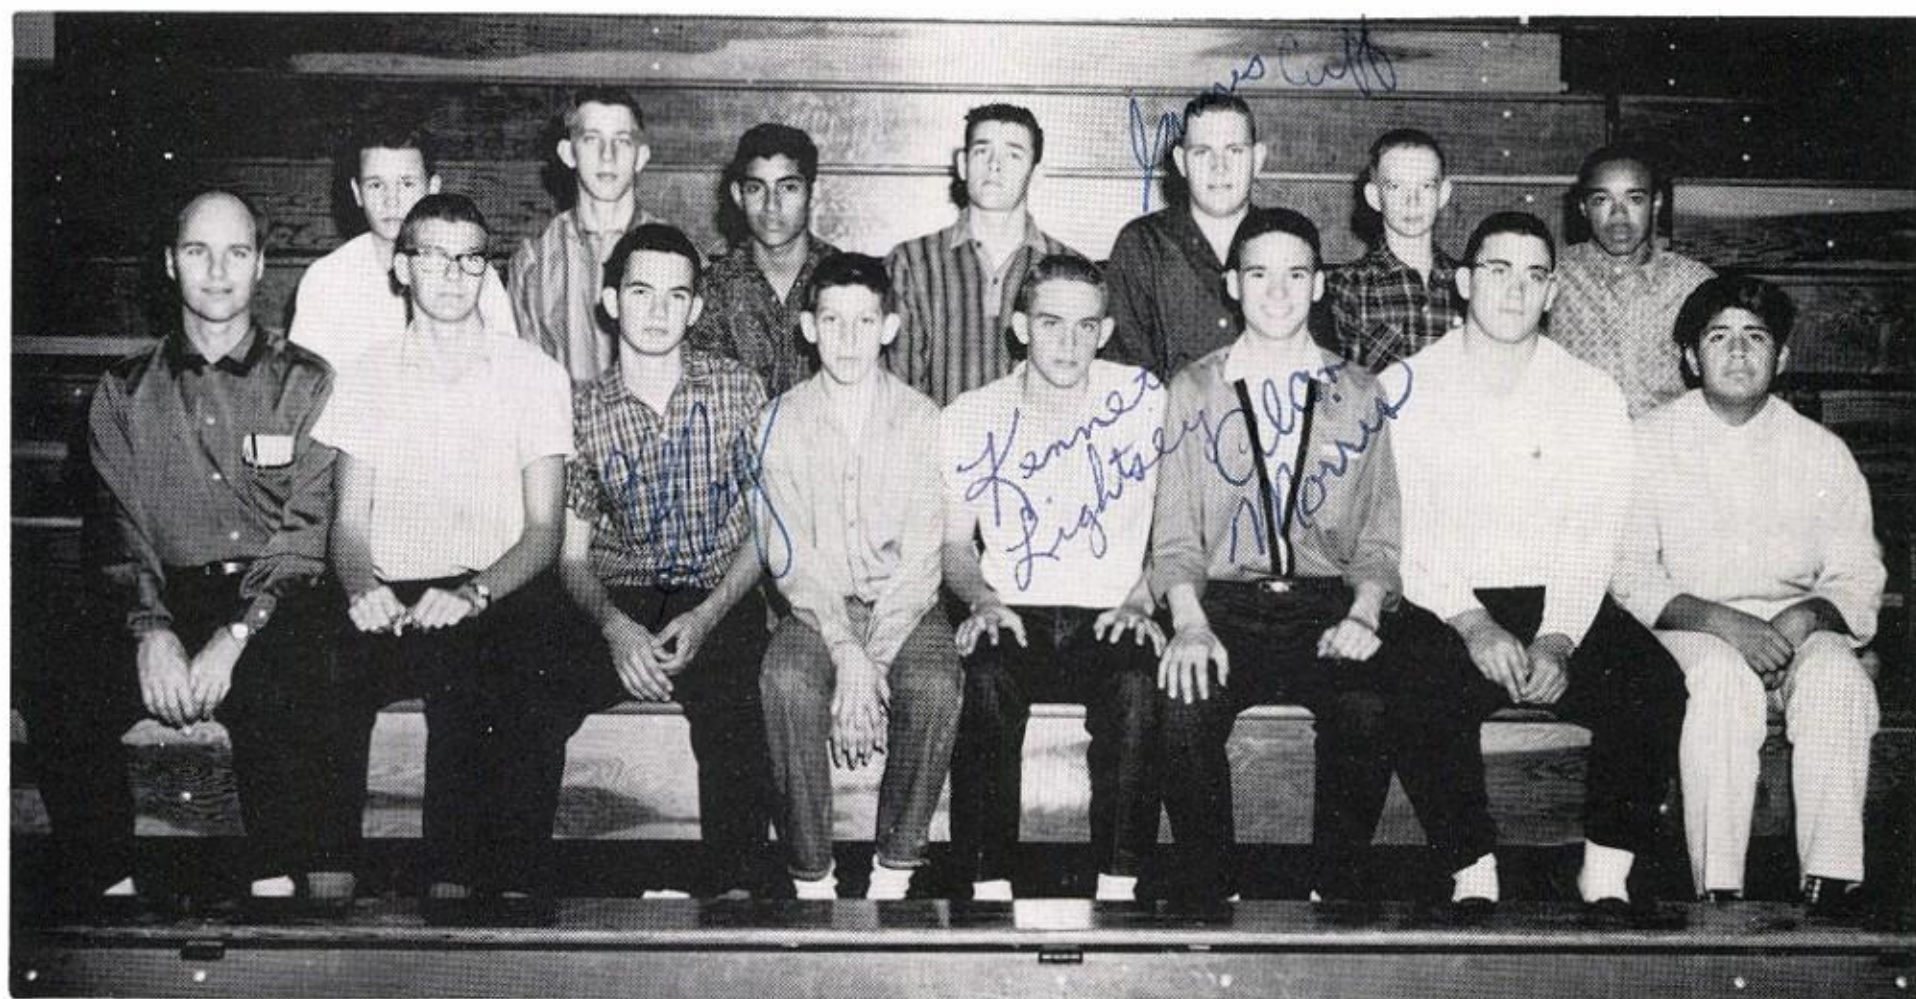

BOBCATS RETURN TO AUSTIN FOR 5TH STRAIGHT YEAR

EDITOR'S NOTE:

Although it was necessary for our yearbook to go to the publisher before the state basketball finals, the Bobcats will take with them our very best wishes for a "repeat Performance" as State Champions!

The background is a solid black field. It features several large, white-outlined triangles of various sizes and orientations. One large triangle is positioned in the upper left, pointing towards the top right. Another large triangle is in the lower left, pointing towards the bottom left. A third, smaller triangle is located in the upper right, pointing towards the top right. The word "ADVERTISEMENTS" is centered horizontally across the middle of the page, within a white rectangular area that is part of the overall geometric composition.
